d. The Rockdale County Public Schools Board of Education reserves the right to accept or reject any or all proposals and to waive minor irregularities and technicalities. The judgment of Rockdale County Public School BOE on such matters shall be final.

e. During the entire period of solicitation, proposal, and evaluation, no offeror shall contact any member or employee of RCPS concerning the solicitation. Such action could result in the Offeror being removed from further consideration in this solicitation.

2. Request for Proposal Process

This solicitation is a Request for Proposal (RFP). In using this method for solicitation, we are asking the marketplace for its best effort in seeking a “best value” solution to our requirements. The Offeror-provided proposal(s) will be evaluated by an evaluation committee. Offeror(s) should make their best effort to satisfy the requirements at their best price because the Offeror’s proposal may be awarded based on the initial evaluation. Often, however, it will be necessary to hold discussions with Offeror(s) about their proposal. This will be done after the initial evaluation. The results of the evaluation will be reviewed, and a “competitive range” will be selected for discussions. Essentially, if an offeror’s proposal is not evaluated as having a chance for an award because of the content of the proposal and/or the price, the proposal will be dropped from the competitive range to save time and money for both the Offeror and Rockdale County Public Schools.

Offerors in the “competitive range” may be notified of the weaknesses in their proposals and given an opportunity, in discussions, to assure they understand the weaknesses. At the end of discussions with all offerors, best and final offers (BAFO) will be accepted from the offerors in the competitive range.

The BAFO’s will be evaluated, and the results reported to a selection official who will select the proposal that presents the best value to Rockdale County Public Schools. This selection will then be presented to the Rockdale County Public Schools Board of Education.

3. Government Entity

The government entity, the owner for whom work will be executed, is:

Rockdale County Public Schools, Georgia (hereinafter “RCPS”).

4. Preparation of Proposals

a. All proposals shall be printed in ink or typewritten. Errors may be crossed out and corrections printed in ink or typewritten adjacent to the error. The person signing the proposal shall initial corrections in ink.
b. Specifications used are intended to be open and non-restrictive. Potential Offeror(s) are invited to inform the RCPS Director of Technology whenever specifications or procedures appear not to be fair and open. Such information should be supplied as early in the procurement process as possible. Information received in less than five (5) days prior to the scheduled receipt of proposals will not be acted upon unless the RCPS Director of Technology rules it is in the best interest of RCPS to consider.

c. Brand names and numbers when provided in solicitation are for reference to establish a quality standard. Any reference to a brand name shall not be construed as restricting to that manufacturer (unless “no substitutes” is stated). Proposals on equal items will be considered, provided the proposal clearly describes the article offered and it is equal or better in quality and function and fully compatible with this requirement.

d. By submitting a proposal, the Offeror warrants that any goods supplied to RCPS meets or exceeds specifications set forth in this solicitation, except as may be otherwise noted in Offeror’s exceptions.

e. If proposing on other than the make, model, brand or number as requested in the solicitation and offered as an equal, complete technical information, specifications, manufacturer’s name and catalog reference shall be clearly stated in the proposal. Any deviation between brand offered and brand specified shall also be clearly indicated. A complete list of deviations and a descriptive catalog cut shall be attached to the proposal.

f. If any supplies, materials, and equipment are provided to RCPS under this solicitation, then such items shall be new and in first-class condition unless the solicitation specifically allows offers of used, reconditioned, or remanufactured items. If newly manufactured products are specified, such products shall be of recent origin and not previously used. No equipment of any type is acceptable if serial numbers or any other manufacturer’s identification labels or marks have been removed, obliterated, or changed in any way. A Contractor delivering any such equipment to RCPS will be deemed to be in bad faith, and appropriate action will be taken by the RCPS Finance Department.

g. To be considered for award, goods of foreign manufacture shall meet all specifications contained in the solicitation, shall be in stock in the Continental United States, and shall be available for immediate shipment at the time an offeror submits a proposal.
h. The Department of Technology will be the sole judge in determining as to the quality and the appropriateness of the services proposed as well as the responsiveness and responsibility of the Offeror.

i. Time of delivery is a part of the solicitation and an element of the proposal that is to be awarded. If the Offeror cannot meet the required delivery date, a proposal should not be submitted. Offeror(s) may provide alternative schedules and/or delivery dates in their proposals. Time shall be stated in “calendar” days. Failure to deliver in accordance with the awarded proposal could result in the Offeror being declared in default.

j. An authorized officer of the company shall sign proposals.

5. Failure to Respond to the Solicitation
   If a proposal is not submitted, return RFP and mark as “no bid.”

6. Taxes
   RCPS is exempt from all state sales tax and Federal Excise Tax. These taxes shall not be included in proposals.

   If any offeror or firm contemplates submitting a proposal and is in doubt as to the meaning of any part of the solicitation documents, they may submit a written request to the Technology Department for interpretation. This must be submitted in writing no later than 11:00 AM on February 10, 2023.
Interpretations of proposal documents will be made by Addenda only. Copies of all addenda will be posted on the Purchasing Department Web Site, https://www.rockdaleschools.org/cms/One.aspx?portalId=136388&pageId=602749 and uploaded to the E-rate Productivity Center (EPC), for all who have obtained a set of submittals. Rockdale County Public Schools will not be responsible for any other interpretations or explanations.

No oral interpretations will be made to offerors as to the meaning of proposal documents. Requests for such interpretations shall be made in writing to the Director of Technology. Failure on the part of the firm to do so shall not relieve them of the obligation to execute such work in accordance with a later interpretation by RCPS. All interpretations made to the Offeror(s) shall be made in the form of addenda to the proposal documents and posted to the website.

9. Withdrawal of Proposals
A proposal cannot be withdrawn after it is delivered to RCPS, unless offeror(s) make a request in writing to the Director of Technology prior to the time set for receiving the proposal, or unless the Director of Technology fails to accept or reject the proposal within one hundred twenty days (120) after the date fixed for receiving said proposals.

The School District/public entity shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph.

14. Suspension & Debarment

RCPS may suspend or debar offerors from bidding on or performing as a subcontractor on all District RFPs for a minimum period of one (1) year up to a maximum of three (3) years. However, if an offeror under suspension fails to correct or cure the deficiency in which they have been suspended during the suspension period, the District may convert the suspension into a debarment. Prior to formally suspending or debarring any offeror, the Director of Technology shall review and investigate all reasons and evidence supporting such a decision and shall inform the suspended or debarred Offeror in writing of such decision. The suspended or debarred Offeror may, at the conclusion of the suspension or debarment period, submit a formal request to be removed from such status.
