Title I

Parent and Family Engagement Set-Aside Funds Survey

Sims Elementary School is designated as a Title I school. Consequently, we are required to set aside a percentage of the Title I money we receive for parental involvement activities to actively engage parents in the academic achievement of their scholar(s). In the past, these funds were used to provide additional classes, programs, and resources to support scholars and help them reach their fullest academic potential. All parents of scholars receiving Title I services have the opportunity to provide input into how the required 1% set-aside parental engagement funds are budgeted. Therefore, your input in planning programs and services is always welcomed! What are your suggestions or feedback on how Title I parental engagement money should be spent?
