Access CMS Virtual Media Center on It's Learning

1) Log in to your it’s Learning Page and click **Courses**. Then click **All Courses**

![Courses](image1)

2) Click **Find More Courses** on top right and then choose **Site Course Catalog**

![Site Course Catalog](image2)

3) Type in the course keyword **cmslibrary** and then **Search**

![Search](image3)

4) Choose CMS Media Center
5) Click **Enroll in Course**

![Enroll in the course button]

6) You can now access CMS Media Center as a Class in your Courses drop down box.
