Inside this newsletter is information on every club and team at Magnet.

Clubs and Teams are broken into four categories:
- Academic
- Enrichment
- Service & Advocacy
- Leadership

After each information section you can find a page that lists the meeting dates for those that are available. More info will be shared as the semester continues.
Academic

CLUBS AND TEAMS THAT PROVIDE OPPORTUNITIES FOR STUDENTS TO PERFORM BETTER IN ACADEMIC CLASSES

MATH TEAM
Math Team "totals up" their knowledge of mathematics to compete against like-minded students from other schools. Always on the move, this team puts their math skills to the test.

MAGNET INC.
Magnet Inc. helps students practice entrepreneurial skills and supports students developing their own ideas into companies while in high school.
SCIENCE TEAM

Science Team convenes to balance the equations of life, dive into the ocean's complexities, and analyze our world through wildlife, forestry, soils, and aquatics. From NOSB to Envirothon, our Science Team is always on the move.

MODEL UNITED NATIONS

BOOK CLUB AND READING BOWL

Book Club joins to get lost in the pages of literature. Through their shared love of reading, they hold book discussions and even attend the Reading Bowl competition.
ACADEMIC CONTINUED

**SPEECH AND DEBATE**

Speech and Debate Team uses their reasoning skills to assert their perspectives on a plethora of topics. Never one to back down from arguments, our Debate Team has vast success.

**R.E.C.S.**

R.E.C.S (robotics, engineering, computer science), stimulates creativity of aspiring engineers so they may build innovative technology and working prototypes.

**GREEN TEAM**

Green Team helps spread the love for our environment by promoting sustainability and the love for our Earth. Green Team reminds everyone at Magnet to go green!

LEADERSHIP CLUBS PROVIDE OPPORTUNITIES FOR STUDENTS TO FOSTER AND DEMONSTRATE LEADERSHIP ABILITIES

RECRUITMENT OCCURS IN DECEMBER 2021

AMBASSADORS
The Magnet School’s outreach branch to the community, Ambassadors guide parents and future students. They provide insight into the workings of Magnet, whilst displaying the school as a whole.

PEER MENTORS
Peer Mentors help our freshman adjust to the rigorous lifestyle found at Magnet. They provide guidance towards being a successful student.
STUDENT COUNCIL

Student Council prides itself on planning a variety of activities that build school spirit, show faculty appreciation, celebrate seasonal events, and promote good citizenship.

PEER TUTORS

Peer Tutors work with students to provide individual and group tutoring sessions and outreach to students wishing to develop and enhance their study skills.

PEER FACILITATORS

Peer Facilitators help foster discussion among students, supporting the growth and building of student voice.

BETA LAMBDA TAU

Beta Lamda Tau is an honor society that recognizes the achievements of our freshmen.
