V. Public Comment

Public comment rules: Members of the public may address the Board on agenda or non-agenda items at regular meetings; at special meetings, the public is limited to discussion of items on the agenda. Speakers may be called in the order that requests are received, or grouped by subject area. At regular meetings, non-agenda items will be heard during the “Public Comment” section. Specific discussion on items on the agenda will be heard immediately after the board chair announces the item. We ask that comments are limited to 2 minutes each, with no more than 15 minutes per single topic so that as many people as possible may be heard. By law, the Board is allowed to take action only on items on the agenda. The Board may, at its discretion, refer a matter to school staff or calendar the issue for future discussion.
