Welcome to HealthComp!

Tri-County Schools Insurance Group (<http://www.tcsig.com>) will be transitioning to a new benefits administrator, HealthComp, **effective January 1, 2021**. HealthComp is a third-party administrator (TPA), or a benefits administrator, for employers with self-funded employee health benefits. As a TPA, HealthComp helps TCSIG administer their health plans by processing member's claims, answering member's questions, and performing other functions related to health benefits.

As part of the move to HealthComp you can expect a few changes to how you interact with your health benefits. You will receive new ID cards, access a new member portal and contact a new customer service team for any questions you have with your health plan. In preparation for these changes please review the following information to answer any initial questions you may have.

Your New ID Card

In December, you will be receiving personalized identification cards for each enrolled member. Meaning a family of four who are all enrolled in the health plan will receive four cards. Your identification cards contain essential plan information, telephone numbers, and claim submission instructions. It is important that you present your new ID cards to health care providers and pharmacies at the time services are received. This will ensure that records are updated appropriately and prevent any delays in claims processing.

If you have any questions regarding identification cards or if you'd would like to order additional cards, please contact (800) 442-7247, option 1.

For convenience, you may also access a digital version of your identification card on HCOOnline. This is especially helpful if you forget to bring your new ID card to an office visit or trip to the pharmacy as you can access your ID card on your mobile device. To access a digital ID card on the HCOOnline app, just sign into your HCOOnline account, and tap Cards. You can also access your digital ID card on the web at: <https://hconline.healthcomp.com>

We look forward to assisting you!

Sincerely,
